If I had to compare it to something I guess I'd say it's kind of like how a lot of console controllers can be used with a cord or wirelessly with battery power. (I could be wrong tho, I honestly barely ever use electricity in ark, I tend to keep to the more primitive tools and I only play on single player so it doesn't really matter)

This page lists possible GFI Cheat Codes which can make spawning in items easier, as it only needs a unique part of the blueprint-path. Keep in mind, that if the chosen part of the item's ...
