

Battery experimental equipment (by application) Automatic Shell Punching Machine - copy. Product description: Automatic Shell Punching Machine; INQUIRY. Equipment Overview: This machine is specifically designed and manufactured for forming aluminum-plastic film in polymer and soft-packaging lithium batteries, suitable for automatic punching of ...

The lightweight power battery shell is generally made of 3003 aluminum coil, which is formed after many times of punching. 3003 aluminum coil belongs to aluminum-manganese series alloy, which has excellent processability, high temperature corrosion resistance, good heat transfer and electrical conductivity, and has the advantages of easy overall drawing and forming of power ...

Punching machine -HONBRO_lithium battery automation production equipment. Since 1999. Product Pole sheet forming equipment. Coating machine Slitting machine Cutting machine Stacking machine. ... Semi-automatic shell punching machine. Learn More &&

Company Introduction: Founded in October 1999, Dongguan Honbro Lithium Battery Science & Technology Co., Ltd. is located in Wentang Brick Kiln Industrial Zone, Dongcheng District, Dongguan, Guangdong, adjacent to Dongguan-Shenzhen Highway, enjoying an excellent location and convenient transportation. It is a national high-tech enterprises and Guangdong non ...

China Automatic Shell Punching Machine wholesale - Select 2025 high quality Automatic Shell Punching Machine products in best price from certified Chinese Machine For Metal ...

What is Battery Production Line Punching and Shell Sealing Pouch Cell Package Machine, 3C battery automatic packaging machine manufacturers & suppliers on Video Channel of Made-in-China .

High Efficiency Aluminum Plastic Film Molding Machine for Lib Making, Find Details and Price about Shell Punching Machine Aluminum-Plastic Film Forming Machine from High Efficiency Aluminum Plastic Film Molding Machine for Lib Making - Mikrouna (Shanghai) Ind. Int. Tech. Co., Ltd. ... 4.Full set of lithium battery equipment, for example:

The utility model discloses a steel shell punching device for producing new energy battery equipment, which belongs to the technical field of new energy battery equipment production and comprises a base, wherein the top of the base is fixedly provided with a processing platform, the top of the processing platform is provided with a second mounting groove, the inner side wall ...

Battery shell manual punching machine for lithium battery die. No reviews yet. ... Best Price Small 18650 Battery Spot Welding Machine For Lithium Ion Battery. \$3,800.00-4,000.00. Min. order: 1 set ... Li-Ion

Battery Life Testing Equipment Machine Analyzer Price For Cylinder and Pouch Cell. \$800.00-1,100.00.
Min. order: 1 set ...

Battery Production Line Punching and Shell Sealing Pouch Cell Packaging Machine, Find Details and Price about Punching and Shell Sealing Pouch Cell from Battery Production Line Punching and Shell Sealing Pouch Cell Packaging Machine - Guangdong Honbro Technology Co., Ltd. ... FOB Price; 1 Piece: US\$50,000.00-250,000.00: Port: Shenzhen, China ...

The utility model relates to a punching device, in particular to a positioning and punching device for an automobile battery shell. The positioning and punching device for the automobile battery shell is convenient to operate, time-saving, labor-saving and high in efficiency. The utility model provides an automobile battery shell location perforating device, is including base, support ...

1 .TOB-CXJ200 Pouch Forming Machine is used for lithium polymer battery/ pouch cell cup forming in the laboratory and production line of making pouch cell batteries.. 2 .The machine is used to prepare polymer cases made of ...

Bulkbuy Battery Production Line Punching and Shell Sealing Pouch Cell Machine price comparison, get China Battery Production Line Punching and Shell Sealing Pouch Cell Machine price comparison from Punching and Shell Sealing, Pouch Cell manufacturers & suppliers on Video Channel of Made-in-China .

Semi-automatic shell punching machine-HONBRO_lithium battery automation production equipment. Since 1999. Product Pole sheet forming equipment. Coating machine Slitting machine Cutting machine Stacking machine. Soft pack 3c digital battery automatic production equipment.

Outer Shell Punching Machine for Bathroom Electric Water Geyser Production Line Product Parameters L1250*2500*25T L1250*3000*25T L1500*2500*30T L1500*2500*40T Tank Thickness: 0.4-2.5mm Tank Material: SS304, SS316, SPCC, PPGI Efficiency: 90-120Times/min Station: 6.8.10.12 Warranty: 1 year ...

Looking for punching shell factory direct sale? You can buy factory price punching shell from a great list of reliable China punching shell manufacturers, suppliers, traders or plants verified by a third-party inspector. Source with confidence. -page7
