

What are the most reliable battery brands?

List of battery brands that include the most reliable models available. Top battery brands include those from major manufacturers of batteries including Energizer, Duracell, Panasonic and more. In strict terms, a battery is a collection of multiple electrochemical cells, but in popular usage battery often refers to a single cell.

What are the best car battery brands UK?

So, we've told you the best car battery brands UK, for 2024. These are the brands we've chosen to recommend - each brand is the best for their particular price/quality category. So for example, Lion is the best lowest cost brand, Exide the best mid-range brand, and Varta and Bosch are the best higher cost brand.

Do batteries rank better than other brands?

Ranking brands is different from ranking batteries, of course, and it turns out to be a lot more complicated. You cannot necessarily trust that every battery made by one brand is automatically better than every comparable battery from any other given brand.

Who makes Lion batteries?

But that's not the maker of the Lion batteries you'll get at UK retailers. Exide are a battery brand from Georgia in the USA. They've been around forever (well, since 1888) and have longstanding, strong reputation. They're one of the biggest lead acid battery makers in the world. For anyone with environmental interests, Exide are a strong choice.

Where can I buy a Duralast car battery?

They're available from most outlets that sell car batteries. Duralast has some of the highest customer review ratings of any battery on this list, with many of its Gold and Platinum batteries picking up 4.7 or 4.8 out of 5 at many major retailers.

Who makes the best car battery?

Bosch provide, for example, the best batteries on the market for Ford Focus 's and many other vehicles. Just for one example, the Bosch EFB 027 car battery is the best on the market. Varta are also a German brand, and even older (by one year!), formed in 1887. Unlike Bosch, who make a lot of things, Varta are specialised battery makers.
