

What is a capacitor market?

The capacitor market is a semi-consolidated market. The market is competitive with the presence of various large-scale manufacturers in the market across the globe. The capacitor market has long-standing established players who have made significant investments.

What are the key players in the capacitor market?

Some of the key players from the capacitor market such as KYOCERA Corporation provides ceramic capacitor that has a wide voltage range and low series resistance (ESR). These specifications are well-suited for automotive applications. Thus, rise in sales of electric vehicles is likely to have a positive impact on the market.

How big is the capacitor market in 2024?

The Capacitor Market is expected to reach USD 25.21 billion in 2024 and grow at a CAGR of 5.90% to reach USD 33.57 billion by 2029. TDK Corporation, Murata Manufacturing Co., Ltd., KEMET Corporation, Vishay Intertechnology, Inc. and WIMA GmbH & Co. KG are the major companies operating in this market.

Why is the capacitor market growing?

Despite these restrictions, the Capacitor market is expected to continue growing as electronic devices become more integrated into daily life and as emerging technologies like 5G, electric vehicles, and renewable energy systems drive demand for capacitors with specific performance characteristics.

What are the key drivers and restrictions affecting the capacitor market?

Here are some key drivers and restrictions affecting the Capacitor market: Electronics Industry: The rapid growth of the electronics industry, including smartphones, computers, and consumer electronics, drives the demand for capacitors used in electronic circuits.

Why is China a major market for capacitors in Asia Pacific?

China is a prominent market in Asia Pacific for capacitor due to the availability of raw materials and strong presence of small-scale capacitor manufacturing companies in the country. Furthermore, increase in usage of capacitor for the automotive and power and utility sectors drives capacitor market growth.

The Capacitor Sales market report conducts an exhaustive analysis encompassing global market size, regional and country-level dimensions, segmentation ...

This report focuses on the Power Film Capacitors sales, revenue, market share and industry ranking of main manufacturers, data from 2019 to 2024. Identification of the major stakeholders in the India Power Film Capacitors market, and analysis of their competitive landscape and market positioning based on recent developments and segmental ...

The global Film Capacitor market size will be USD 3142.5 million in 2024. The boom in consumer electronics, the surge in EVs, the rise in energy storage, industrial automation, and 5G infrastructure are expected to boost sales to USD 4421.813078 million by 2031, with a Compound Annual Growth Rate (CAGR) of 5.00% from 2024 to 2031.

This denoted a rise in sales among a range of regions and countries. ... Statistics for the 2025 Plastic Film Capacitors market share, size and revenue growth rate, created by Mordor Intelligence(TM) Industry Reports. Plastic Film Capacitors ...

Global Film Capacitor Market size is expected to reach US\$ 1.99 Bn by 2030, at a CAGR of 2.55% during the forecast period. The report study has analyzed revenue impact of COVID -19 ...

This report focuses on the Polypropylene Film Capacitors sales, revenue, market share and industry ranking of main manufacturers, data from 2019 to 2024. ... Key Indicators Analysed o Market Players & Competitor Analysis: The report covers the key players of the industry including Company Profile, Product Specifications, Production Capacity ...

MR Accuracy Reports introduces new research on Thin Film Capacitor Market covering the micro level of analysis by competitors and key business segments. The Thin Film Capacitor explores a comprehensive study of various segments like opportunities, size, development, innovation, sales, and overall growth of major players.

2020-2026 Global and China Capacitor Industry In-Depth Research and Trends Forecast Report ??????? ...  
2.1.2 Global Capacitor Sales 2015-2026 2.2 Global Capacitor, Market Size by Producing Regions: 2015 VS 2020 VS 2026 ... 6.5.2 China Capacitor Revenue Market Share by Application (2015-2020) 6.5.3 China Capacitor Price ...

This report aims to provide a comprehensive presentation of the global market for Conductive Polymer Tantalum Solid Capacitor, focusing on the total sales volume, sales revenue, price, key companies market share and ranking, together with an analysis of Conductive Polymer Tantalum Solid Capacitor by region & country, by Type, and by Application.

Chapter 2: Detailed analysis of Flexible Super Capacitor manufacturers competitive landscape, price, sales and revenue market share, latest development plan, merger, and acquisition information, etc. Chapter 3: Provides the analysis of various market segments by Type, covering the market size and development potential of each market segment, to help readers find the ...

The global market for Capacitors is estimated at US\$22.9 Billion in 2023 and is projected to reach US\$33.7 Billion by 2030, growing at a CAGR of 5.6% from ...

**Report Scope** The Supercapacitor market size, estimations, and forecasts are provided in terms of output/shipments (K Units) and revenue (\$ millions), considering 2023 as the base year, with history and forecast data for the period from 2019 to 2030. This report segments the global Supercapacitor market comprehensively.

**Application Segment Analysis of Electronic Capacitors Market.** This report forecasts revenue growth at the global, regional, and country levels and provides an analysis of the latest industry trends and opportunities for each application of ...

Get the sample copy of High Voltage Capacitor Market Report 2025 (Global Edition) which includes data such as Market Size, Share, Growth, CAGR, Forecast, Revenue, list of High Voltage Capacitor Companies (ABB, Siemens, Alstom, EATON, ICAR, ZEZ Silko, Maxwell, GE, Electronicon Kondensatoren, Nissin, Kondas, Lifasa, RTR, Samwha, Iskra, API ...

Global Market Growth Trends 2.1 Industry Trends 2.1.1 SWOT Analysis 2.1.2 Porter's Five Forces Analysis 2.2 Potential Market and Growth Potential Analysis 2.3 Industry News and Policies by Regions 2.3.1 Industry News 2.3.2 Industry Policies 2.4 Industry Trends Under COVID-19 3 Value Chain of Electric Capacitor Market 3.1 Value Chain Status 3. ...

Europe Super Capacitors Market Sales Revenue 2024 : \$ 158 : Europe Super Capacitors Market Compound Annual Growth Rate (CAGR) for 2023 to 2030: ... Read a Detailed Qualitative analysis of the above report by requesting the free sample pages from Request for your Free Sample PDF/Online Access.
