

What is the best battery charger for camping?

If you're camping, wrap them in your clothes or even keep them in your sleeping bag so they stay warm. One of the most innovative bits of outdoor kit we've seen recently, The Charge AnyWay from GP Batteries is a 2-in-1 battery charger and power bank. It comes with 4 x nifty RecyKo+ rechargeable AA batteries.

Is a high-capacity battery a good choice for camping?

First, its 38,400mAh battery capacity is incredibly high, which means you can extend the life of your devices by several days if you use them conservatively. Going on camping trips often means spending long periods of time apart from outlets, so the benefits of carrying a high-capacity battery cannot be overstated.

What is the best solar battery storage?

Best: overall Q.Home Core is the smart-looking solar battery storage arm of Qcells, and one of the more accessible solutions for homes looking to upgrade their whole solar deal. This is the smallest of their batteries, offering 6.8kWh but with the option to chain further units for increased capacity.

Which battery should I buy?

Anything around 650 CCA is good to fire things up in the ice, while 880 will guarantee to get you on the go in any weather. Some leisure batteries are better for starts and some are better for running appliances, although some - on the pricier side - are dual-purpose, so that's important to take into account.

Are power banks good for camping?

Excellent charging, packability, and battery life. There can be a fine line with power banks for camping. We're trying to get off the grid, but we need a bit of the grid to come with us: for camping fans, air pumps, lanterns, and, of course, our phones.

What is a 12V leisure battery?

Leisure batteries are 12.8V affairs, used to provide sustained power over time; Eco-Worthy's 12V leisure battery is an excellent choice for the mobile-homer hoping to use solar power on the go. This 12V leisure battery offers 1280Wh of power, and significantly more power per kg than the lead-acid batteries commonly used in this space.
