

Product Details. CTEK D250SE 12v 20amp battery to battery charger + PV Logic 150 Watt Black Flexi Solar Panel with reverse Cable Entry. With award winning Swedish technology, the dual input D250SE which has now replaced the D250SA with added connection to lithium batteries can draw its power from smart alternators and other DC sources, making it the ideal charger for ...

Victron Energy: Solar Panel 130W 12V Mono SPM041301200 (Series 4a) £90.00 inc.VAT; 370W Victron Solar Panel Kit With Victron 100/30 MPPT £550.00 inc.VAT On sale price £475.00 inc.VAT; 185W Victron Solar Panel Kit With ...

Simply Split Charge Ltd, Cinder Hill Farm, Whitbeck, Cumbria LA195UR. Contact Us. Tel: 01229 718098. Email: mick@simplysplitcharge .uk. 8am to 5pm - Monday-Friday

This high efficiency, waterproof 40W monocrystalline solar panel is perfect for permanent outdoor use to provide free electricity for charging 12V batteries to power various applications such as in a camper van, motorhome, boat & sheds The panel is fitted with 5m of special solar cable which can work at high roof temperatures, with minimum power losses.

The solar panel kits combine solar panels, charge controllers, cabling and mount systems to ensure a simple, quick installation. ... High Power Connectors; Tools. Crimp Tools; Testing Tools; Other Tools ... Simply Split Charge is a family business that has been powering your life on the move for over 10 years with a great range of leisure ...

Supplied with the leads Pre crimped for a simple installation This kit contains the following items HC Cargo Voltage Sense split charge relay + wiring Victron 175 watt solar panel kit with 75/15 smart solar MPPT Simply Select kit length from ...

Victron Solar Panel 360W-24V Mono 1980 x 1002 x 40mm series 4b Monocrystalline. Skip to content. ... Split Charging Relays Split Charging Kits DC-DC Charging (B2B) ... High power models with pre-wired quick-connect ...

The solar panel kits combine solar panels, charge controllers, cabling and mount systems to ensure a simple, quick installation. ... High Power Connectors; Tools; Tools; Brands; Clearance & Special Offers; Campervan Electrics; 240v - Mains Hook Up; ... Simply Split Charge Victron 185W Solar Panel Kit with 75/15 Smart Solar MPPT White Mounting Kit.

The panel is fitted with 2 x 1m of cable specially designed for solar panels to carry high currents with negligible power loss (4mm² cross section). ... Solar panel specifications: Peak power: 150W Maximum

power voltage: 19.8V ... Simply Split Charge is a family business that has been powering your life on the move for over 10 years with a ...

370W Victron Solar Panel Kit With Victron 100/30 MPPT On sale price £ 475.00 inc.VAT; 185W Victron Solar Panel Kit With Victron 75/15 MPPT On sale price £ 250.00 inc.VAT; 130W Victron Solar Panel Kit With Victron 75/10 MPPT On ...

This advanced 20A 12V/24V dual battery solar controller uses advanced MPPT technology to charge two independent batteries or battery banks. The main ...

This powerful, high-quality battery to battery DCDC charger can charge a 12V battery from another 12V battery with its own power source, or from a solar panel using its built-in solar input, at up to 20A.The fully-automatic battery charger ...

The high efficiency 75W + 75W folding solar panels are made of high quality monocrystalline solar cells ... waterproof 150W folding solar kit is designed to provide free power for charging 12V batteries, for example in vehicles and boats (motorhome, caravan, camper, narrow boat, yacht etc) or any other systems with a 12V battery or battery bank ...

Solar charge controllers regulate and control the power from a solar panel to a battery bank to ensure the battery is charged efficiently. ... low to high Price, high to low Date, old to new Date, new to old. Victron Energy Smart Solar ...

The maximum combined solar input power allowed for this controller is 130W for a 12V battery system or 260W for a 24V system. In particular, this controller will significantly increase efficiency of a solar system where the solar panel voltage is much higher than the battery voltage (e.g. charging a 12V battery with a 36V solar panel).

Product Details 140w Victron Mono Solar Panel Low voltage-temperature coefficient enhances high-temperature operation. Exceptional low-light performance and high sensitivity to light across the entire solar spectrum. 25-Year limited warranty on power output and performance. 5-Year limited warranty on materials and workmanship.
