

Latest announcement on the resumption of work on home solar

When does the new homes (solar generation) Bill 2024-25 come out?

The New Homes (Solar Generation) Bill 2024-25 has its second reading on 17 January 2025. This Library briefing provides an overview of the bill and key areas of debate. The Private Members' Bill on New Homes (Solar Generation), sponsored by Max Wilkinson (Lib Dem), will have its second reading on 17 January 2025.

What is the private members' bill on new homes (solar generation)?

This Library briefing provides an overview of the bill and key areas of debate. The Private Members' Bill on New Homes (Solar Generation), sponsored by Max Wilkinson (Lib Dem), will have its second reading on 17 January 2025. The government has set a mission to make Britain a clean energy superpower.

Should new homes in the UK have solar panels?

In the letter they are asking the housing minister to mandate that all newly built homes in the UK be fitted with a "meaningful array" of solar panels, as well as the current promise of a mandate for heat pumps or low-carbon heat networks.

Should solar panels be mandated on newbuild homes?

This, in part, will be achieved by replacing current technologies with low-carbon alternatives such as heat pumps and solar panels. When the FHS was proposed, the then-Conservative government chose not to mandate the installation of solar panels on newbuild homes, but the signatories want to see this changed.

How can the government support the installation of solar panels?

The government has several schemes to support the installation of solar panels. This includes the Energy Company Obligation (ECO), and the Warm Homes: Local Grant and the Warm Homes: Social Funding.

Will solar panels help us meet our net zero ambitions?

The move will encourage more people to install solar panels on their properties, slashing their energy bills in the process and cutting down on harmful emissions. "We must make sure our homes are fit for the future and can help us meet our net zero ambitions" said Housing and Planning Minister Lee Rowley MP.
