

Lithium battery high and low temperature test chamber price

Company Introduction: Established in 2005, Guangdong Bell Experiment Equipment Co., Ltd is specialized in manufacturing a variety of quality inspection instruments, testing equipments and other high-tech products which mainly include: Constant Temperature & Humidity Test Chamber, High & Low Temperature Test Chamber, High & Low Temperature Testers with Rapid ...

Lithium Battery High Low-Temperature Environmental Test Chamber Manufacturers, Find Details and Price about Environmental Chamber Price Temperature Humidity Chamber from Lithium Battery High Low-Temperature Environmental Test Chamber Manufacturers - GUANGDONG BELL EXPERIMENT EQUIPMENT CO., LTD.

Battery High-Low Temperature Test Chamber is designed for comprehensive battery testing, accommodating various batteries, including lithium-ion batteries, with a focus on safety and accident prevention. A crucial component of the ...

Model NO.: BTTQ-SERIES After-sales Service: 24 Hours Online Power Supply: AC380V Certification: CE, ISO Warranty: 1 Year Temp. Range: B Type:-20-150℃;C

Reference FOB Price Get Latest Price US \$4,500.00-80,000.00/ Set| 1 Set (Min. Order) After-sales Service: One Year Warranty, Lifetime Maintenance Power Supply: AC380V 50Hz ...

Our Battery High-Low Temperature Test Chamber is meticulously designed to accommodate a wide range of batteries, including lithium-ion batteries. Engineered with multiple safety features, this test chamber is equipped to ...

Battery performance is the most critical factor. meanwhile, the battery safety is the other critical factor that counted.As the leading battery testing equipment manufacturer in China, we ...

High & Low Temperature Test Equipment Machine Lithium Battery Temperature Test Chamber US\$9,000.00-13,800.00 / Piece 1 Piece (MOQ)

Lithium ion Battery Low-Temperature High-Rate Cycling Test. Posted on July 11, 2024 by Bell. ... providing test equipment at a better price than other test chamber suppliers. All test chambers are for sale at factory price. Price Inquiry. CONTACT INFO. E-mail: Tel: +86 180 0288 0096;

Double-deck High Low Temperature Test Chamber provides a constant high and low temperature environment condition ranges from -40℃ to 150℃ (Available for customized design).

Lithium battery high and low temperature test chamber price

Lithium Battery Three Deck High Low-Temperature Test Chamber, Find Details and Price about Environmental Chamber Price Battery Tester from Lithium Battery Three Deck High Low-Temperature Test Chamber - GUANGDONG BELL EXPERIMENT EQUIPMENT CO., LTD.

Find lithium battery test chamber for sale at LIB - As a lead manufacturers and suppliers, our standard and customized models of lithium battery test chamber can meet different ...

Lithium Battery Three Deck High Low-Temperature Test Chamber Price, Find Details and Price about Environmental Chamber Price Environmental Chamber from Lithium Battery Three Deck High Low-Temperature Test Chamber Price - GUANGDONG BELL ...

It is suitable for electronics, instruments, power batteries, home appliances and other products, parts and materials at high and low temperatures. Adaptability test (reliability test) for storage, ...

Company Introduction: Established in 2005, Guangdong Bell Experiment Equipment Co., Ltd is specialized in manufacturing a variety of quality inspection instruments, testing equipments and other high-tech products ...

After-sales Service: 24 Hours Online Power Supply: AC380V 50Hz Certification: CE, ISO Warranty: 1 Year Air Supply Method: Forced Internal Circulation, Upper Air Outlet and Temperature Fluctuation: $\pm 0.3^{\circ}\text{C}$
