Full Range of Yuasa Sealed Lead Acid Batteries available at Battery Station. Toggle menu. BatteryStation .uk is a Leading UK Supplier of Batteries & Chargers ... power source, designed to cater to a variety of applications. It is ...

From what I remember, and what I just read on a few google search results, a "Gel" battery is like a lead acid battery but the electrolyte is in gel form instead of liquid. It also has a narrow charge voltage range. It can be installed in pretty much any orientation though.. AGM batteries holds the electrolyte in glass mats.

I'm looking to buy a battery (and inverter) for my "portable" pellet grill so that I can use it to cook away from home. A cursory look at amazon showed me that there are two types of batteries: (Sealed) Lead Acid and Lithium (LiFePO4) I'm curious to learn what the difference between these two batteries are, what would be better for my ...
