Could solar-powered street lighting be installed in Cambodia?

IRST Prime Minister Prince Norodom Ranariddh has initiated a revolutionary scheme which might result in solar-powered street lighting installed throughout Cambodia. The lighting system is currently on trial outside the Council of Ministers after being installed by Ponleujit, a subsidiary of the Daewoo

Will solar lighting help Cambodia prosper?

believes solar lighting will help Cambodia prosper along with the country's long-term investors. The Ministry of Health has decided to lift the ban on travellers from or who have travelled through 10 African countries and instead issued a set of standard operating procedures to manage passenger arrivals at Cambodia's international airports.
