

What tax category does energy storage services belong to

Are battery energy storage systems exempt from VAT?

Effective 1 February 2024, the UK government has exempted retrofitted battery energy storage systems (BESS) from the 20% VAT. This recent and welcomed development means homeowners looking to upgrade their homes with energy storage now enjoy the same tax benefits as those incorporating energy-saving materials like heat pumps and roof-mounted solar.

Are storage facilities taxable or exempt?

Storage facilities can be broadly classified into two categories: taxable and exempt. Taxable storage facilities are those that charge VAT on their services, while exempt storage facilities are those that do not charge VAT on their services.

Are solar and energy storage installations subject to VAT?

All solar and energy storage installations, including maintenance to existing sites, should be subject to 0% VAT. This should include residential energy storage when installed as a standalone measure.

Are storage facilities exempt from VAT?

For instance, storage facilities for specific goods like certain food items, medical supplies, books, or those intended for export outside of the EU can be exempt from VAT. Additionally, storage facilities for certain medical equipment and supplies may be eligible for a reduced VAT rate of 5%.

Which storage facilities are eligible for a reduced VAT rate?

Reduced VAT Rate for Specific Storage Facilities: Some types of storage facilities may be eligible for a reduced VAT rate of 5%. This includes self-storage facilities, cold storage facilities for food, and storage facilities for caravans and boats.

What is the VAT rate for a storage facility?

The standard rate is usually 20%, but certain storage facilities, such as self-storage units, cold storage for food, and facilities for caravans and boats, may be eligible for a reduced rate of 5%. A VAT accountant can help identify the correct VAT rate applicable to your storage facility, ensuring that you are not overpaying or undercharging VAT.
