Where can I find solar energy repair service in China

Through remote monitoring technology, we can analyze your inverter's data and determine if an on-site visit is needed for things like cleaning your panels or repairing any damaged wiring or solar cells (components of a panel). Submit a service request today to learn how we can help protect your investment in solar energy.

edit: ideally I can order straight from china (is there a site like alibaba for solar?) so I don't have to deal with middle men scammers. There seem to be a lot of those in the solar industry that are really ripping people off
edit2: i guess I meant Amazon instead of Alibaba or like a mix of the two
