

Straight Plug Solid Electrolytic Capacitor 330uf 10v Factory Direct Sales. Type: Radial conductive polymer aluminum solid capacitors. Color: red.

Description Factory direct sales 681M Y capacitor. 681M Y capacitor high voltage ceramic capacitor has the characteristics of wear-resistant DC high voltage, suitable for high voltage bypass and coupling circuits, among which the low loss high voltage disc has low dielectric loss, especially suitable for television receivers and scanning circuits Used in.

y5u material Y2 capacitor 272M factory wholesale. Ceramic capacitors -- Y safety capacitors. Application field. These Ceramic Disc Capacitors are specifically designed AC applications and meet the safety requirements of various safety standards agencies. These capacitors are ideal for line by-pass, coupling and across the line applications.

Film Capacitor -- X2 safety capacitors. X2 0.0022uf275VAC Film Capacitor W: 13.0mm H: 9.0mm T:4.0mm P±1:10.0mm. Application field. Products are widely used in power supplies, chargers, digital products, communication systems, ...

Description Capacitor Y type 682M safety capacitor sales. Y type 682M safety capacitor Y capacitors are mostly blue in appearance, and are generally marked with safety certification marks (such as UL, CQC, VED, etc.) and withstand ...

Description CL21 film capacitor 630V 473J epoxy resin encapsulation factory direct sales. The medium used for CL21 film capacitor 630V 473j is polyester film, and the electrode is a metal vacuum evaporation layer. At the same time, a ...

The 103k 1kV ceramic capacitor combines reliable performance, high voltage tolerance, and compact size, making it an excellent choice for businesses and traders in industrial applications. ... Factory direct sales Y capacitor 561K 300VAC safety certification Details. New product Ceramic Capacitor 471K1KV Instrumentation applications Details.

Description Electronic components CL21 474J400V film capacitor factory direct sales. The electronic components CL21 has polar polyester film as the medium, the positive temperature coefficient is non-polar, high temperature resistance, ...

Factory direct sales Y1 safety capacitor 331K D=7mm. Ceramic capacitors -- Y safety capacitors. Application field. These Ceramic Disc Capacitors are specifically designed AC applications and meet the safety

requirements of ...

68uf 400v Capacitor For Power Supply factory direct sales High Voltage 68uf 400v Capacitor For Power Supply, our general size have 16*26MM, 18*25MM and 18*30MM, its ripple current is 392 mAmrs at 85? 120Hz. And its load life is ...

Dive into our online wholesale ceramic capacitors products catalog on globalsources ! Source over 556 ceramic capacitors for sale from manufacturers with factory direct prices, high quality ...

Find quality multilayer ceramic chip capacitors from China Manufacturer, Supplier, and Factory. Shop now for reliable and affordable electronic components. Phone: +86 18355189974; Email: ymin-sale@ymin ; English. ... Sales manager is very enthusiastic and professional, gave us a great concessions and product quality is very good,thank you ...

The role of capacitor safety refers to a safety capacitor that does not cause electric shock and does not endanger personal safety after the capacitor fails. To ensure safety is to ensure that safety capacitors cannot be short-circuited after failure. capacitor safety Y2 3300pf 300vac factory direct sales. Ceramic capacitors -- Y safety capacitors

Ningbo Reyone Electric Co., Ltd: Welcome to buy or wholesale discount transformer, capacitor, micro ceramic capacitor, variable electrolytic capacitor, mini led light transformer for sale here from professional manufacturers and suppliers in China. Our factory offers high quality customized products with low price. Please feel free to contact us for pricelist and quotation.

Factory direct sales Y capacitor 561K 300VAC is suitable for small household appliances, power products, motors, LED lighting, charging piles, medical, smart home products and other products.

AC safety capacitor 331K 300VAC. Ceramic capacitors -- Y safety capacitors. Application field. These Ceramic Disc Capacitors are specifically designed AC applications and meet the safety requirements of various safety standards agencies. These capacitors are ideal for line by-pass, coupling and across the line applications. Production Process ...
